Acknowledgement of Country

We acknowledge and respect the traditional lands of all Aboriginal people, we respect all Elders past, present & future. We ask all people that walk, work & live on traditional Aboriginal lands, to be respectful of culture & traditions and work together as one to better Aboriginal Health.

I would like to acknowledge diversity amongst us and our lived experiences.

We each bring a unique set of experiences, skills and characteristics to this training. We honour the diversity of each individual and welcome all, regardless of age, race, gender identity, sexuality or lived experience.

I want to acknowledge the challenge, trauma and pain we may have endured or continue to endure because of our diversity lived experiences.

Our unique experiences, bring us together in the most exceptional way.

Prevention, Awareness, Understanding and evidence based services and supports.

Values

We embrace the following values to underpin our vision and mission:

- Perseverance
- Connection
- Courage
- Optimism
